

Middle School Student Supplies (Grades 6-8)

For the academic year 2018-19 the equipment needed is listed below. Material is either provided by LIS or needs to be bought by students before the start of the year. All material can be purchased in department stores around town. Preparation can be done by labelling folders with full name, year group and subject.

Students will be able to use folders for consecutive years, if in acceptable condition; all subjects will keep the colour assigned in the coming years.
