## **LIS to open on Monday August 17**

Dear LIS Community,

All three sections, Kindergarten, Primary and Secondary will be open from Monday August 17, working to a normal timetable.

The principals of each section will publish detailed plans for the first week of the 2020-21 school year: please resume the habit of checking the parent Portal regularly.

Naturally, in addition to its regular timetable each section has hygiene plans, procedures and requirements to safeguard the health of all members of our community. Please read these carefully.

Public schools in Saxony will not reopen until August 31: should there be any further or different instructions from the authorities ahead of that date, LIS will respond and inform its community as quickly as possible.

At all levels of the school, we look forward very enthusiastically to starting work with our children and students once again, and we extend a warm welcome to those families who are new to LIS this year.

With best wishes - and in high hopes of a busy, happy and healthy year,

David smith
