

Middle School Student Supplies (Grades 6-8)

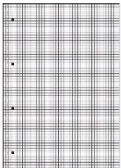

For the academic year 2021-22 the equipment needed is listed below.

Material is either provided by LIS or needs to be bought by students before the start of the year. All material can be purchased in department stores around town. Preparation should be done by labelling exercise books and folders with full name, year group and subject.

Folders used in the past year should be reused. All subjects will keep the colour assigned in the coming years.
